Installation Instructions for Model 2049 Console Safe

- It is a good idea to set the combination before you install the safe, and do it with the door open.
- Clear the contents out of the compartment below center seat.
- Remove the rubber pad in the bottom.
- Remove the 2 bolts that hold the plastic compartment to the seat frame
- Place the safe in the compartment and replace the two bolts using the included longer bolts.
- Enjoy your purchase.
