Installation Instructions for Model 2023 Console Safe

The Lock'er Down Model 2023 fits the 2011 to 2017 Ford Explorer

- It is a good idea to set the combination before you install the safe, and do it with the door open.
- Clear the contents out of the compartment.
- Place the bottom plate in the bottom of the console with the half moon cutout to the rear.
- Place each side piece in with the shorter section to the front and the top lip facing inward aligning the tabs with the notches.
- Place the top assembly in, fitting the nose under the lip of the console.
- Attach the top assembly to the side pieces with the included acorn nuts.
- Tighten the small bolts on the side plates to stabilize the safe.
