Security Products

Installation Instructions for Model 2014 Console Safe

The Lock'er Down Model 2014 goes in the compartment under the center seat of the 2007 to 2013 Avalanche, Sierra and Silverado with a split bench seat. Installation is simple.

- It is a good idea to set the combination before you install the safe, and do it with the door open.
- Clear the contents out of the compartment.
- Place the safe inside the compartment.
- Secure the safe to the compartment with the included self tapping screws.
